## BRASFIELD & GORRIE, LLC

### Scheduling Opportunities - All Levels

Founded in 1964, Brasfield & Gorrie is one of the nation's largest privately held construction firms, providing general contracting, design-build, and construction management services for a wide variety of markets. We are skilled in construction best practices, including virtual design and construction, integrated project delivery, and lean construction, but we are best known for our preconstruction and self-perform expertise and exceptional client service. Brasfield & Gorrie has 12 offices and approximately 2,600 employees. Our 2015 revenues were \$2.3 billion. Engineering News-Record ranks Brasfield & Gorrie 29th among the nation's "Top 400 Contractors" for 2016.

#### Responsibilities and essential duties include the following:

- Leading the development of a detailed project schedule along with the project teams input
- Collecting progress, updating and reporting projects status
